4. This QPO is valid only if you are an individual on the cash receipts and disbursements method of accounting or are an eligible entity.
5. This offer is not a payment for any past services performed by the winner and you are not required to perform any substantial future services in exchange for the payment.
6. The single cash payment amount is determined by sales for this Grand Prize. Except where a Grand Prize is guaranteed to be a certain minimum amount, the Grand Prize pool consists of 32.5288% of sales, less any deductions made to fund prize reserve accounts consistent with the published game rules. If the Grand Prize is set at a guaranteed annuitized amount, then the Multi-State Lottery Association (MUSL) shall determine the cash value of such amount pursuant to its PB Rule 30.5 and the best bid submitted by MUSL's pre-approved qualified brokers shall determine the cash pool needed to fund the guaranteed annuitized Grand Prize. In no case shall quotes be used which are more than two weeks old and if less than three quotes are submitted, then MUSL shall use the average of all quotes submitted. Minimum guaranteed prizes or increases may be waived if the alternate funding mechanism set out in PB Rule 28.3(b) becomes necessary. The single cash payment amount for this prize is set out below:
7. Complete rules are available upon request.

CONNECTICUT LOTTERY CORPORATION QUALIFIED POWERBALL PRIZE PAYMENT OPTION ADVISORY

In October of 1998, Congress amended the United States tax code to waive application of the constructive receipt rule in certain limited circumstances. Pursuant to this change, the Lottery is now offering its qualified winners the opportunity to select and register either a lump sum cash option or an annuity option up to 60-days from the date when the winning ticket is presented for payment at Lottery Headquarters.

The following information is provided:

1. The Qualified Prize Payment Option (QPO) is extended only to a Lottery winner who is entitled to an annuitized prize awarded as part of a Lottery and payable over the period as specified in the official game rules.
2. The QPO is only an offer. You are not obligated to accept this offer. If you decline or take no action, you will receive the full ANNUITIZED amount of your prize in accordance with the terms and conditions identified in the game rules.
3. The QPO must be exercised within 60-days from the date when the winning ticket is presented for payment at Lottery Headquarters. No extensions of this time or date are permitted. Your selection and registration are final and irrevocable.

You must exercise this option on or before:

If the **Powerball Grand Prize** is set at a guaranteed annuitized amount, MUSL shall determine the cash value and notify the Connecticut Lottery of such amount. Since the cost to MUSL of the financial instruments used to fund the annuity amount may change over time, the Connecticut Lottery or MUSL is not responsible for changes in the advertised prize amount due to changes in the price of qualified securities. THE PUTNAM AVENUE FAMILY TRUST

THIS IS A TRUST AGREEMENT dated November 22, 2011, between Timothy C. Davidson, Brandon E. Lacoff and Gregory Hasbrouck Skidmore, individuals with an address c/o Certilman Balin Adler & Hyman, LLP, 90 Merrick Avenue, East Meadow, New York 11554 (collectively, the "Settlor") and Timothy C. Davidson, Brandon E. Lacoff and Gregory Hasbrouck Skidmore, individuals with an office at 175 West Putnam Avenue, Greenwich, Connecticut 06830 as Initial Trustees (collectively, the "Trustee").

WHEREAS, the Settlor desires to create a trust; and

WHEREAS, the Trustee is willing to accept the trust hereby created and covenants to discharge faithfully the duties of a Trustee hereunder;

NOW, THEREFORE, property has been transferred and is described on Schedule A hereto annexed, to the Trustee, IN TRUST, and the Trustee agrees to accept the property and to hold, manage and distribute the property under the terms of this Agreement.

ARTICLE I

Lifetime Trust

A. **During The Trust Term.** During the term of the Trust, the Trustee shall administer the Trust pursuant to this paragraph:

1. The Trustee shall distribute as much of the net income and/or principal of the Trust as the Trustee may at any time and from time to time determine, for any purpose, to the Trustee of The West Putnam Avenue Trust dated November 22, 2011 ("The West Putnam Avenue Trust").

2. Any net income not so distributed shall be accumulated and annually added to principal.

3. The term of the Trust shall end upon the earlier of: (i) the death of the last-to-die of the Settlers, or (ii) November 22, 2012.

B. **End of Trust Term.** Upon the end of the Trust term, the property of the Trust shall be distributed to The West Putnam Avenue Trust.

ARTICLE II

Trustees

A. **Appointment of Trustee.** The Settlor appoints Timothy C. Davidson, Brandon E. Lacoff and Gregory Hasbrouck Skidmore to serve as Trustees hereunder (collectively referred to in this instrument as the Trustee).

B. **Unanimous Vote.** The Trustees shall act by unanimous vote.

C. **Compensation of Trustees.** Each of the Initial Trustees hereby waive compensation for services as Trustee.

D. **Successor Trustee.** If any individual Trustee shall cease to act as Trustee, no successor Trustee need be appointed in his place and stead.

ARTICLE III

Governing Law and Trustee Powers

The interpretation and operation of the trust shall be governed by the laws of the State of Connecticut. The Trustee may, without prior authority from any court, exercise all powers conferred by this Agreement or by common law or by any fiduciary powers act or other statute of the State of Connecticut or any other jurisdiction whose law applies to the trust, including without limitation, all the basic powers contained in the Connecticut Fiduciary Powers Act and all the additional powers contained in subdivisions (1) through (27) of section 45a-235 of the Act, which are hereby incorporated into this Agreement. The Trustee shall have sole and absolute discretion in exercising these powers. Except as specifically limited by this Agreement, these powers shall extend to all property held by the Trustee until actual distribution of the property. In order to fully effectuate the powers of the Trustee, specific reference is now made to all the basic powers contained in the Connecticut Fiduciary Powers Act and all the additional powers contained in subdivisions (1) through (27) of section 45a-235 of the Act. The powers of the Trustee shall include the following:

A. **Special Trustee Liability Provision.** Some persons may be hesitant to serve as Trustee hereunder because of a concern about potential liability. Therefore, with respect to any trust created hereunder (i) no Trustee shall incur any liability by reason of any error of

judgment, mistake of law, or action of any kind taken or omitted to be taken in connection with the administration of any trust created hereunder if in good faith reasonably believed by such Trustee to be in accordance with the provisions and intent hereof, except for matters involving such Trustee's willful misconduct or gross negligence proved by clear and convincing evidence, (ii) no Trustee shall have any fiduciary responsibility to observe, monitor or evaluate the actions of the other Trustee and shall not be liable to any party for the failure to seek to remedy a breach of trust, or in a recurring situation to request instructions from a court having jurisdiction over the trust, even if a Trustee may be guilty of a gross violation of fiduciary duties hereunder, and (iii) each Trustee shall be fully indemnified by the trust estate against any claim or demand by any trust beneficiary or trust creditor, except for any claim or demand based on such Trustee's willful misconduct or gross negligence proved by clear and convincing evidence. Expenses incurred by a Trustee in defending any such claim or demand shall be paid by the trust estate in advance of the final disposition of such claim or demand, upon receipt of an undertaking by or on behalf of such Trustee to repay such amount if it shall ultimately be determined that such Trustee is not entitled to be indemnified as authorized by this paragraph. In no event shall any Trustee hereunder be liable for any matter with respect to which he, she or it is not authorized to participate hereunder (including the duty to review or monitor trust investments).

B. **Reliance upon Advice.** The Trustee may employ and rely upon advice given by accountants, attorneys, investment bankers, and other expert advisors and employ agents, clerks and other employees and pay reasonable compensation to such advisors or employees in addition to fees otherwise payable to the Trustee, notwithstanding any rule of law otherwise prohibiting such dual compensation.

C. **Custodian Employed.** The Trustee may employ a custodian, hold property unregistered or in the name of a nominee (including the nominee of any bank, trust company, brokerage house or other institution employed as custodian), and pay reasonable compensation to a custodian.

ARTICLE IV

Power to Add Beneficiaries

The Settlor appoints Jason Kurland as the Selector. The Selector shall have the power, exercisable at any time and from time to time in a non-fiduciary capacity (within the meaning of Code Sec. 675) without the approval or consent of any person in a fiduciary capacity within the meaning of that section, to add to the class of beneficiaries under the Trust any charitable organization, the contributions to which are deductible under Section 170(c), 642(c) and 2522 (a) of the Code. This addition shall be effected by a written notice retained with the records of the Trust, indicating the date of the addition of the beneficiary.

The person acting as the Selector hereunder may at any time release such power, in whole or in part, by delivery of an acknowledged instrument in writing to the Settlor releasing such power. Any such release made by the Selector shall be irrevocable, and shall be binding upon all current and successor Trustees and the current and any successor Selector and all persons interested hereunder, and no person shall thereafter have the power to add to the class of beneficiaries under this Article to the extent of such release. If at any time prior to the complete release of the power to add to the class of beneficiaries under this Article, there is no Selector acting hereunder, the Trustee (acting in an individual capacity and not in a fiduciary capacity) shall exercise the Selector's powers under this Article.

ARTICLE V

Definitions and Miscellaneous Provisions

The following definitions and miscellaneous provisions shall apply under this Agreement:

A. **Code and Regulations.** References to the "Internal Revenue Code" or "Code" or to provisions thereof are to the Internal Revenue Code of 1986, as amended at the time in question. References to the "Regulations" and "Regs." are to the Regulations under the Code. If, by the time in question, a particular provision of the Code has been renumbered, or the Code has been superseded by a subsequent Federal tax law, the reference shall be deemed to be to the renumbered provision or the corresponding provision of the subsequent law, unless to do so

would clearly be contrary to the Settlor's intent as expressed in this Agreement. A similar rule shall apply to references to the Regulations.

ARTICLE VI

Savings Clause

Should any of the provisions or directions of this Agreement fail or be held ineffectual or invalid for any reason, it is the Settlor's desire that no other portion or provision of this Agreement be invalidated, impaired or affected thereby, but that this Agreement be construed as if such invalid provision or direction had not been contained therein.

ARTICLE VII

Irrevocability

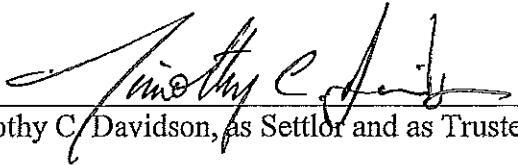

This Agreement shall be irrevocable. The Settlor shall have no right to alter it or amend it in any way.

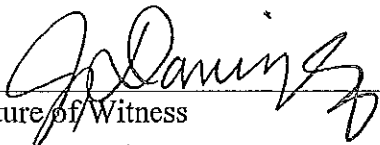

ARTICLE VIII

The captions used in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Agreement or the intent of any provision therein.
